

## PARENT FORUM

For discussion Tuesday 7<sup>th</sup> February 2017

### Agenda 1: Behaviour for Learning

It is absolutely critical for us to work alongside parents to imbed our Behaviour Management Policy. Please find attached our policy which was sent out to all parents at the start of the Autumn term.

It would be helpful if the parent forum group could give some feedback with positive WWW (what went well) and EBI (even better if) so that if necessary we can make strategic changes to the way we implement the behaviour management policy, which will ultimately improve the future life chances of pupils.

Thank you for your time and support.

Kind regards

A handwritten signature in cursive script that reads "Tina Graham."
